The Brecknockshire Agricultural Society Safety Policy Statement

The Brecknockshire Agricultural Society (BAS) recognises that under the Health and Safety at Work Act 1974, it has a legal duty to ensure, so far as it is reasonably practicable, the health, safety and welfare of all people (staff and visitors) attending the County Show on the first Saturday in August.

The BAS will ensure that all tasks and responsibilities are carried out in such a way as to comply with the requirements of the Committee in planning the Brecon County Show as effectively as possible whilst protecting the safety and wellbeing of all parties attending.

The report identifies how the event will comply with current health and safety legislation.

The committee of the Society has three main aims:

Ground / Site

To maintain the ground in a good condition and to improve the site wherever possible.

Management / Staffing

To ensure that all parties concerned in the planning and discharging of their responsibilities to the Society are enabled to do so as effectively as possible and are recognised to be competent in their areas of responsibility.

Overview of Show Day To analyse the planning, practices and procedures of previous years' shows to ensure as far as possible that any problems or deficiencies which may have been experienced are not repeated and that year-on-year improvement is achieved.

The BAS will take such steps as is reasonably practicable:

1. To maintain safe and healthy working practices, systems and methods of work to protect all employees, visitors and others in so far as they come into contact with foreseeable hazards.
2. To develop safety awareness and create a climate for individual responsibility for health and safety at all levels.
3. To provide a safe environment for all visitors to the showground bearing in mind that visitors may not necessarily be attuned to certain aspects of the environment.
4. To control effectively the activity of all outside contractors when on the showground.
5. To ensure that this Policy is used as a practical working document, the Committee have appointed a Health and Safety Officer who is considered "a competent person" in the discharge of his duties.

N.B. ENTRY into the SHOWGROUND will be by BADGE, EXHIBITOR TICKET, DEBIT/CREDIT CARD or CASH – ONLY

All members are warmly welcomed to attend our social evenings, dances and dinners as planned for 2025.

Our Social events offer enjoyable opportunities for friends, family and neighbours to meet up with one another and have some much-needed light relief away from the demands of the farming and business calendar. We look forward to organising many new events for the future.

We would be especially grateful for any suggestions or feedback that our members can provide in relation to the running of our Society and our Agricultural Show. We exist for your benefit and hope to hand over the running of our Charity in an improved state to the future generation, so as to ensure the continuation of the Society for many years to come.

We thank all our members past and present for their support. We could not continue the Society without you.

There are two factors upon which the future of the Society depends: increasing membership and the continued support of the exhibitors. We appeal to those of you who are not members, but who enjoy the Show, to become members of the Society. We also ask each of our present members to try and enrol one member for 2025. This will ensure financial security, the continuance of this historical Society and the preservation of its Charitable Objectives.

It would greatly assist the Society if members could agree to pay their subscriptions by Direct Debit, not Standing banker's orders. Please use the Direct Debit Mandate form on the accompanying pages.

WITH THANKS

We would like to express our great appreciation and thanks to the livestock exhibitors, the trade stands, craft stands, food stands, domestic exhibitors, horticultural exhibitors, all sponsors, our many Stewards and all of the private individuals and businesses who support the Brecknockshire Agricultural Society and Brecon County Show so loyally.

JUDGES 2025

Brecknockshire Agricultural Society is extremely grateful to the Judges of ALL Sections of the 2025 Brecon County Show for making it possible to hold such a varied and full schedule for entries.

The Show Committee hope your day is enjoyable and you too have time to walk around and enjoy the variety and quality of entries in the rest of the show.

The Committee also encourages you to offer any feedback that could improve or enhance any part of the organisation of Sections and Classes.

Please address your comments to the Secretary: breconshow@gmail.com Thank you!

Important Notice to Exhibitors

The safety of the public at Agricultural Shows is a matter of paramount importance in recognition of the importance of Public Liability Insurance and the Health and Safety at Work Act 1974 with regard to all of their additions and amendments.

In order to meet legal and insurers' requirements, it has been necessary to introduce arrangements to segregate, as far as possible, the general public from livestock and horses. The Society has appointed Stewards to supervise the implementation of these measures who will control the movement of people and livestock to and from different areas of the Showground. **THE DIRECTION OF THE STEWARDS MUST BE FOLLOWED AND ADHERED TO AT ALL TIMES.**

It is in your own interests to comply with all instructions and to observe the procedures laid down. The Society would appreciate your full cooperation. Should any exhibitor refuse to comply with the instructions of the Stewards, the Society will have no alternative but to immediately remove that exhibitor's entries from the Showground and all fees paid or prizes won will be forfeit. This condition will be strictly enforced and no appeal will be entertained. You are urged to familiarise yourself with details of the routes to be taken to and from the Main Ring and the various Showing Rings and seek assistance or advice of the Stewards if you are in doubt about any aspect of this matter.

The Committee has the absolute discretion to refuse, or reject an entry without question or appeal. The word entry shall be considered to mean any animal or object whatsoever.

THIRD PARTY LIABILITY

The Society, its officers or servants shall not be responsible for any persons whatsoever while on the Society's premises, or while entering or leaving the same for any damages or loss, however caused, to the property of such person, or for any injury, fatal or otherwise, to any such person. The Society, its officers or servants shall not be responsible for any accident, damage or loss, however caused, that may occur to any exhibitor or his servant, or to any animal, article or property, brought into the Showground. Each exhibitor shall be solely responsible for loss, injury or damage that be done to, or arising from any animal, article or property exhibited or brought on to the Showground by him, and he shall indemnify and hold harmless the Society from and against all actions, suits, expenses and claims on account of, or in respect of any such damage or injury which may be so caused or occasioned.

Will exhibitors please ensure that they have their passes with them on Show Day, as no excuse can be accepted by the gate attendants and no refunds will be made. Anyone requiring a pass out of the Showground will have their hand marked with a rubber stamp.

ATTENTION – All Exhibitors

Where applicable ALL CUP presentations are made under the following rules:

On signing for all cups/trophies the recipient is accepting full responsibility for its care and return. In case of the damage or loss the recipient is deemed liable. All cups must be included in the recipient's Householder's Contents Insurance Policy for the duration of possession.

They must be returned to the show office by no later than 2nd July 2025

All Exhibitors must insure they have adequate Public Liability Insurance and/or Employers Liability Insurance in order to exhibit at the show. No livestock vehicles may exit the Showground before 4.00pm. Please take part in the Grand Parade at 2.30pm.

Class 90 EXERCISE VEHICLE CLASS Horse(s) or Pony(ies) to be driven in a non-traditional type vehicle (pneumatic tyres specifically designed for carriages i.e. not car tyres are allowed). Single or multiple turnout driven to a two or four-wheel exercise vehicle. To be judged on general cleanliness, safety of turn-out, correct fitting of harness and suitability of horse/pony. Vehicles shown in this class may not be shown in the Private Drive class. This class is open to single or multiple turnouts to a two or four wheeled exercise vehicle.

The BDS Wales National Exercise Vehicle Championships qualifiers are open to any BDS member driving an Exercise Vehicle turnout and will be allocated to the winner of the Exercise Vehicle class. The Championships will be held at the BDS Wales Show. Please see the BDS Wales website for details.

Class 91 PLEASURE DRIVING CLASS Open to any type of vehicle to be judged as follows: 15% for vehicle and harness, 15% for condition of animal and presentation, 70% for overall performance. Horse or Pony to be 4 years old and over.

Class 92 CONCOURS D'ELEGANCE The essence of this class is the word "elegance" and the winner will be the turn-out, which in the opinion of the judge, presents the most elegant effect. This will obviously include vehicle, horse, driver, passenger etc. but above all the general impression. This may well include the Drivers and Passengers personal attire, as it may contribute to the overall picture, but fancy dress or period costume is not allowed. It is judged from a distance and vehicles are not closely inspected as in ordinary show classes.
